

SHORELINE

The Shoreline range is inspired by coastal themes, featuring mottled tones that evoke the natural beauty of the seaside.

These bricks are designed to create a rustic, weathered look that complement any modern, coastal, or traditional themed façade

*Flashing (dark markings) is a common feature with this range. The volume and intensity may vary from run to run. The images show low levels of flashing.

^ Surface Coloured

RIVERINA

Featuring a colour blended and tumbled design that nods to urban loft and warehouse living, the bright and authentic Riverina range establishes the perfect imperfection of the distinctive warm and sophisticated modern industrial style.

ZEN

by Nature

Bricks of harmonious tranquillity

Living at the high pace of today's daily grind can take its toll. So, it's no surprise that there is a movement towards creating more tranquil and calming interiors in our homes. A back-to-nature style is a minimalist philosophy, making use of natural materials, light and space.

Key components of this style are warm woods, clean lines and muted earthy tones from raw materials such as brick or stone.

COASTAL HAMPTONS

Coastal Hamptons conveys a relaxed, welcoming style, showcasing the colours of the Australian coast and beach, wherever you are.

American in origin, yet quintessentially Australian, Coastal Hamptons is a relaxed yet luxurious trend, teaming white timber panelling, pitched ceilings and pale timber floors with neutral and ocean-inspired tones.

Bricks are also integral to achieving a timeless Coastal Hamptons style, bringing solidity and texture whilst complementing a soft, sophisticated colour scheme.

NATURALS

This range of light surface coloured bricks would have to be one of the most popular on the east coast. Naturals® offer a subtle and soft, more restrained look and feel to an external facade or a more interesting texture to an internal surface.
